

P8P6 - Lincat Panther 800 Series Free-standing Hot Cupboard - Plain Top - W 2180 mm - 2.5 kW Helping to cater in demanding environments such as cafeterias, canteens and restaurants, the Panther 800 Series Hot Cupboard is perfect for plating and garnishing and as a pass to front of house staff, while it also provides extra workspace or can be used as a mobile workstation.

- Helping to cater in demanding environments such as cafeterias, canteens and restaurants
- Fan assisted hot cupboard provides even heat distribution, fast heat up and recovery times, and lower energy usage. Four shelf positions allow adjustment to meet individual needs.
- Fully 1/1 GN compatible hot cupboard for operational efficiency. Units available to take 6 x 1/1 GN containers up to 150mm deep.
- Accurate digital electronic control of the hot cupboard temperature, adjustable between 20 and 99 °C, ensures compliance with food hygiene regulations
- Double skinned construction provides efficient heat retention and a cool to touch exterior - safe and energy efficient. Removable doors and shelves allow access to the fully stainless steel interior for easy cleaning
- Supplied with two heavy duty multi-section chrome plated rod shelves capable of taking the heaviest loads
