

KitchenAid CLASSIC Blender 5KSB1565

- **A robust motor, a unique one-piece pitcher, stainless steel blades and electronic controls**
Combined to create a powerful motion that is fast and thorough for exceptional blending results
- **Intelli-Speed motor control**
Automatically adjusts the blade speed to blend all densities of food, at peak power, even when the thickness of the ingredient changes
- **Large 1.75 L one-piece shatter-resistant BPA-free pitcher with unique shape**
Easy pouring and easy cleaning
- **5 Speeds: 1 is the lowest and 5 is the highest, along with Crush Ice and Pulse functions with "Soft Start" feature:**
Provide consistent, powerful blending for all tasks
Starts very slowly then quickly increases speed for safe blending without splashing
- **Die-cast metal base**
Robust, stable and built to last
