GRAB & GO OPEN FRONT MERCHANDISERS

The classic refrigerated Grab and Go merchandiser from Blizzard is the perfect small form free-standing unit, which allows for easy access to your product. Complete with mirror finish stainless steel construction, glass side panels, three adjustable shelves and castors fitted as standard.

When you're ready to close for the day ensure your unit is saving as much energy as possible thanks to the integrated night blind, safely hooking at the bottom of the unit.
