FKG371

## FKG371

### Functional with many features

FKG 371 is not only suitable for bottles, as items of food also can be hygienically and conveniently stored in this cooler with its strong, stable, adjustable shelves. With features such as automatic defrosting and adjustable wire shelves, the cooler is a functional unit ideal for sandwich bars, kiosks and service stations. FKG 371 is a larger version of FKG 311 and can be placed side-by-side with display freezer NFG 309.

-  **Automatic Defrost**
-  **Interior light**
-  **Adjustable feet**
-  **Adjustable thermostat**
