Popular, Energy-saving Can Cooler

The classic, popular cooler originally developed by Vestfrost Solutions. Designed with distinctive 360 degree silk-printed branding surface that draws attention to the can cooler. A transparent and self-closing lid provides easy access to cold drinks at the right temperature – adjustable with the thermostat to suit any drinks and climates. The can cooler is an environmentally friendly option and sound investment due to its very low energy consumption.

- 🔍 **Scratch-free surface**
- 🔍 **Silk-printed surface**
- 🔍 **Efficient storage**
- 🔍 **Adjustable thermostat**
- 🔍 **Transparent lids**
