## Single glass door cooler - Black

---

As a standard feature, the HX101, single glass door chiller is fitted with fully adjustable chrome shelves, digital thermostat, a temperature display, double glazed, self closing, glass doors, internal lighting, a door lock and benefits from a forced air cooling system.

All Coolpoint's products are manufactured to extremely high quality standards and are designed to work in busy commercial environments and ambient temperatures of 32 degrees centigrade.

The HX101 model is finished in a beautifully painted black finish.
