

## FOOD CHUTE RANGE

## VIZU ECONOMY 2 TIER FOOD CHUTE

- An economical yet highly effective solution to merchandising and serving burgers, hot dogs etc.
- Simple constructions and controls make this unit the obvious choice when temporary unskilled labour is employed.
- Allows for chute widths to be changed quickly and easily.
- With hygiene being at the upmost of importance, the full stainless steel construction makes cleaning simple and quick.
- A simple ON/OFF switch operates the heat lamps
- Designed for front and rear loading and unloading
- Complete with lane listing strips for product identification
- Removable top chute part for easy cleaning
- Air baffles to help improve heat retention
- Adjustable feet to help with levelling on uneven surfaces
